As a convenience for parents and children participating in the NYC Junior Sailing Program, the Norwalk Yacht Club and the Rowayton Yacht Club will provide launch service between the RYC facility and the NYC facility. I understand that use of this service is provided without charge as a convenience to the participating children and their parents, and that parents may make alternate provision for transporting their children.

I recognize that boating is an activity that has an inherent risk of damage and injury associated with it. In consideration of the use of the launch service, on behalf of myself and the below named children, I hereby fully assume all risks associated with the use of the launch service, I forever and irrevocably waive, release and discharge, and will defend, indemnify, and hold harmless against, any and all claims, suits, demands, liability, loss, or damages, including, but not limited to claims for property damage, personal injury or death to the below named children which now exist or may arise in the future against the Norwalk Yacht Club, the Norwalk Yacht Club Junior Sailing Program, and the Rowayton Yacht Club and their officers, governors, members, employees or agents, arising out of or in any way connected with participation in the providing of launch services sponsored or undertaken by any of them even though such liability may arise out of their negligence or carelessness, to the fullest extent permitted by law. I understand that serious accidents occasionally occur during boating activities and that participants in boating activities occasionally sustain mortal or serious personal injuries and/or property damage as a consequence and I knowingly assume all the risks of boating activities. I agree that this waiver is binding on myself and my children listed below and our heirs, representatives, successors and assigns.
